

Isothermal Community College

**Gainful Employment Disclosure
2019**

Electronics Engineering Technology Diploma

This program is designed to be completed in 12 months.

This program will cost \$4,137.00 for in-state students and \$9,321.00 for out-of-state students if completed within normal time. This includes an estimate for books and supplies. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed

Of the students who completed this program within normal time, the typical graduate leaves with \$NA* of debt. *Fewer than 10 students completed this program within the normal time frame, so this number has been withheld to preserve the confidentiality of the student.

- 1) **The following States do not have licensure requirements for this profession: North Carolina**
