Isothermal Community College

P.O. Box 804

Spindale, NC 28160

Notes:

The table provides information to identify whether this program meets the specific state, province, or territory educational requirements. It's important to note that even if the program meets the educational requirements, licensure may also require acceptance to a registry, background checks, or meeting physical standard requirements. Students are advised to check with the agency to identify an exact set of requirements that extend above the educational requirements.

Isothermal Community College graduates who become licensed in NC or another state marked as meeting educational requirements may apply to the undetermined states for licensure by endorsement. Alaska is a state where a nurse must graduate from a nationally accredited nursing program (e.g. ACEN).

State, Province, or Territory	Meets Educational Requirements	Agency	Mailing Address	Phone Number	Website
