Notes:

The table provides information to identify whether this program meets the specific state, province, or territory educational requirements. It's important to note that even if the program meets the educational requirements, licensure may also require acceptance to a registry, background checks, or meeting physical standard requirements. Students are advised to check with the agency to identify an exact set of requirements that extend above the educational requirements.

For states indicated Yes below, students successfully completing NREMT certification and holding a state in other states may obtain licensure in GA, MD, SC, TN, TX, and VA may obtain credential.
